

# 2015-16 Degree Plan

## Finance, BBA

School of Medicine: Department of Health Sciences (4 Year

| Term 1  | Hours Towards Degree: 16 | Hours     | Minimum Grade | Notes |
|---|--------------------------|-----------|---------------|-------|
| ENGL 110: Accelerated Composition or ENGL 111: Composition I and ENGL 112: Composition II or ENGL 113: Enhanced Composition |                          | 3         | C             |       |
| MATH 121: College Algebra (or more advanced)  |                          | 3         | C             |       |
| BIOL 123: Biology for Health Related Sciences and Non-Majors  |                          | 3         | C             |       |
| BIOL 124L: Biology for Health Related Sciences and Non-Majors   |                          | 1         | C             |       |
| Social/Behavioral Science Core  |                          | 3         | C             |       |
| Humanities Core   |                          | 3         | C             |       |
| <b>Term Hours:</b>  |                          | <b>16</b> |               |       |

| Term 2                                    | Hours Towards Degree: 32 | Hours     | Minimum Grade | Notes |
|---|--------------------------|-----------|---------------|-------|
| ENGL 120: Composition III                 |                          | 3         |               |       |
| CHEM 121: General Chemistry I             |                          | 3         |               |       |
| CHEM 123L: General Chemistry I Laboratory |                          | 1         |               |       |
| STAT 145: Introduction to Statistics      |                          | 3         |               |       |
| Fine Arts Core                            |                          | 3         | C             |       |
| Social/Behavioral Science Core            |                          | 3         | C             |       |
| <b>Term Hours:</b>                        |                          | <b>16</b> |               |       |

| Term 3   | Hours Towards Degree: 47 | Hours     | Minimum Grade | Notes |
|--|--------------------------|-----------|---------------|-------|
| BIOL 237: Human Anatomy and Physiology I for the Health Sciences |                          | 3         |               |       |
| BIOL 247L: Human Anatomy and Physiology Laboratory I             |                          | 1         |               |       |
| EMS 113: EMT-Basic   |                          | 8         |               |       |
| EMS 142: EMT-Basic Laboratory                                    |                          | 2         |               |       |
| EMS 193:   |                          | 1         |               |       |
| <b>Term Hours:</b>   |                          | <b>15</b> |               |       |

| Term 4  | Hours Towards Degree: 61 | Hours     | Minimum Grade | Notes |
|---|--------------------------|-----------|---------------|-------|
| Writing/Speaking Core Elective                                    |                          | 3         |               |       |
| BIOL 238: Human Anatomy and Physiology II for the Health Sciences |                          | 3         |               |       |
| BIOL 248L: Human Anatomy and Physiology Laboratory II             |                          | 1         |               |       |
| EMS 200: Medical Mathematics                                      |                          | 1         |               |       |
| Foreign Language Core   |                          | 3         |               |       |
| Humanities Core   |                          | 3         | C             |       |
| <b>Term Hours:</b>  |                          | <b>14</b> |               |       |

| <b>Term 5</b>  | Hours Towards Degree: 78 | Hours              | Minimum Grade | Notes |
|--|--------------------------|--------------------|---------------|-------|
| EMS 309: Prehospital Emergency Medicine and Operations [Introduction to Prehospital Advanced Life Support] |                          | 3                  |               |       |
| EMS 310: Prehospital Pharmacology  |                          | 3                  |               |       |
| EMS 311: Medical Assessment and Management [Medical Assessment and Management I]                           |                          | 3                  |               |       |
| EMS 312: Cardiovascular and Pulmonary Emergencies  |                          | 3                  |               |       |
| EMS 341: Paramedic Laboratory I  |                          | 2                  |               |       |
| EMS 351: Paramedic Clinical Rotation I   |                          | 3                  |               |       |
|  |                          | <b>Term Hours:</b> | <b>17</b>     |       |

| <b>Term 6</b>  | Hours Towards Degree: 96 | Hours              | Minimum Grade | Notes |
|--|--------------------------|--------------------|---------------|-------|
| EMS 320: Medical Emergencies   |                          | 3                  |               |       |
| EMS 321: Special Patient Populations [EMS Special Considerations and Operations] |                          | 2                  |               |       |
| EMS 331: Trauma Emergencies  |                          | 2                  |               |       |
| EMS 342: Paramedic Laboratory II   |                          | 3                  |               |       |
| EMS 352: Paramedic Clinical Rotation II  |                          | 4                  |               |       |
| EMS 454: Paramedic Field Internship  |                          | 4                  |               |       |
|  |                          | <b>Term Hours:</b> | <b>18</b>     |       |

| <b>Term 7</b>  | Hours Towards Degree: 114 | Hours              | Minimum Grade | Notes |
|--|---------------------------|--------------------|---------------|-------|
| EMS 400: Advanced Assessment                                   |                           | 3                  |               |       |
| EMS 461: Advanced Pathophysiology                              |                           | 3                  |               |       |
| EMS 469: Epidemiology and Statistics                           |                           | 3                  |               |       |
| EMS 403: Mountain Medicine (or approved elective)              |                           | 3                  |               |       |
| EMS 406: Mountain Medicine Laboratory I (or approved elective) |                           | 3                  |               |       |
| EMS 405: Austere Medicine                                      |                           | 3                  |               |       |
|  |                           | <b>Term Hours:</b> | <b>18</b>     |       |

| <b>Term 8</b>   | Hours Towards Degree: 130 | Hours              | Minimum Grade | Notes |
|---|---------------------------|--------------------|---------------|-------|
| EMS 465: Advanced Paramedic Clerkship   |                           | 4                  |               |       |
| EMS 470: EMS Research Analysis  |                           | 3                  |               |       |
| EMS 404: Technical Rescue Course [Strike Rescue Technical Rescue Course] (or approved elective) |                           | 3                  |               |       |
| EMS 408: Mountain Medicine Laboratory II (or approved elective)                                 |                           | 3                  |               |       |
| EMS 456: Social Dimension of Disaster   |                           | 3                  |               |       |
|   |                           | <b>Term Hours:</b> | <b>16</b>     |       |

**Crucial course:**  (A crucial course is a predictor for success in obtaining this degree. It should be taken in the term indicated in order to ensure timely progress to graduation.)

## Degree Plan Notes

- Keep in mind that minimum grades on road map are for individual coursework only. Students must maintain a minimum of a 2.0 cumulative GPA for admission and graduation from the College of Arts and Sciences.
